ACKNOWLEDGEMENTS

This document was organized by John Metzger, our Membership Databaser Manager. These member lists reflect the membership as of July 1, 1993 which included 1505 members.

We are constantly striving to be as accurate as possible with the data about our membership. Some mistakes may have occurred from time to time, and it is possible that the data about yourself that was accurate, may become inaccurate as the data is electronically manipulated in the computer. Please check your listing in the alphabetical and by-states listings. Club presidents, please check the information about your club.

We now have the capability of generating special lists of our membership. We can generate alphabetical lists, or alphabetical lists by state. If you are interested in a database analysis, the charge is \$1 per page of printed output, or \$0.10 per label if you wish addresses printed on address labels (minimum charge is \$3.00 as each sheet has 30 labels.), plus postage. Please contact John Metzger about this analysis. He needs at least two weeks notice as his new job is very time consuming.

If you plan to move to a new address permanently or briefly, remember, that when the post office is unable to deliver your Dispatch, it is returned to John Metzger who then must pay \$1.33 to accept your rejected magazine. Then he has to place your magazine in a new envelope and mail it again. We now have over 1500 members, and your help with this matter is appreciated. John is our Membership Secretary, John's address is Rt 4, Box 326F, Troy, MO 63379 and his phone number is (314) 528-4214. **Please contact John about ANY membership problems or address changes. Please note that your membership number is printed on the mailing label of each issue of the Dispatch. All memberships expire on June 30th.**

President's Message

Fellow NASG Members:

Here's our membership directory in a new format from previous issues. I hope you will "let your fingers do the walking" by using it occasionally. One enjoyable method is calling NASG members in cities or areas you will be traveling through on vacation (or even a business trip!). Call ahead to arrange a time, but if that individual cannot meet you perhaps layout ideas or new techniques to try, or some Flyer pieces you now feel your collection should have. I have done this over the last few years and have made several new S gauge acquaintances and learned some things too! I have found most of the NASG members willing to invite you in to talk trains, so why not enjoy that vacation or trip looking and talking to fellow S gaugers!
